Container management

FOLLOW THESE RECOMMENDATIONS TO ENSURE THE PROPER DISPOSAL OF EMPTY PESTICIDE CONTAINERS

- **TREATED SEED**
  - Treated seed and seed treatment containers
  - Non-rinsable
  - Incineration

- **Plastic containers**
  - Rinsable
  - Recyclable

- **Foil/flexible packaging**
  - Non-rinsable
  - Incineration

- **Metal containers**
  - Rinsable
  - Recyclable

All empty triple rinsed containers, as well as non-rinsable containers, should be returned to an authorized collection point where they will be disposed of in an environmentally sound manner.

Containers **SHOULD NEVER** be re-used or disposed of through indiscriminate dumping, open air incineration of any kind or incineration in unauthorized facilities.
